

LONG TERM PAVEMENT PERFORMANCE PROGRAM DIRECTIVE

For The Technical Direction Of The LTPP Program

Program Area: Monitoring

Directive Number: FWD-6

Supersedes: LTPP Manual for FWD Testing, Version 2.0/February 1993, page 63 only.

Date: January 28, 1994

Subject: Submission of FWD Maintenance Data to FHWA/LTPP Division Office

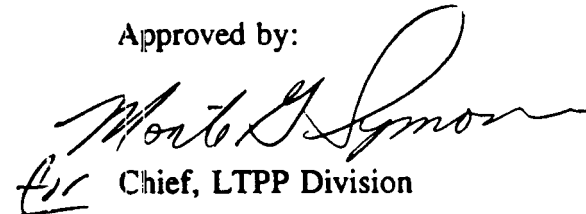

The purpose of this directive is to improve the utility and efficiency of FWD maintenance reports submitted to the LTPP Division Office.

Effective immediately, summaries of FWD maintenance activities submitted to the LTPP Division Office in the Contractors' monthly and quarterly progress reports will replace the submission of copies of Form F03 (found on page 63 of the LTPP Manual for FWD Testing, Version 2.0/February 1993). The following provisions shall be met.

1. A separate summary shall be maintained for each FWD.
2. Summaries shall be presented in the format shown in Appendix A, and shall provide all of the requested information, to the extent applicable.
3. Serious problems which might affect the operation of other LTPP FWDs are to be brought to the attention of the LTPP Division Staff promptly, so that the other Regional Coordination Contractors can be informed.
