

# LONG-TERM PAVEMENT PERFORMANCE PROGRAM DIRECTIVE

For the Technical Direction of the LTPP Program

**Program Area: Information Management System**

**Directive Number: IMS-9**

**Date: August 23, 1993**

**Subject: LTPP IMS Version 6.0**

---

This directive is to provide version 6.0 of the LTPP IMS software. Enclosed are the diskettes, the software change notice, and the instructions for applying this upgrade. This major upgrade to the IMS software includes all the new forms and tables for the metric distress surveys based on the June 1993 *Distress Identification Manual* and part of the resilient modulus tables, data entry forms and filter programs. Many other revisions are made to the software as listed in software change notice 29.

This update is to be applied as soon as possible and the software change notice filed in the Operator's Log.
