

PAVEMENT PERFORMANCE PROGRAM DIRECTIVE

For the Technical Direction of the LTPP Program

Program Area: Information Management System

Directive Number: IMS-28

Date: 10 March 1995

Subject: LTPP IMS Version 7.3

This directive is to provide version 7.3 of the LTPP IMS software. Attached is Software Change Notice No. 43 and instructions for installing this upgrade. The diskettes were forwarded directly to your office by SAIC.

Effective with this directive, entry of profile data is to be resumed. The new profile tables are included.

This upgrade contains the revised QA checks for SPS 1, 5, 6, and 7. In preparation for the SPS data uploads, please complete the entry of the available SPS data and execute the checks for these four experiments.

Revised QA checks for the remaining SPS experiments and the revised FWD tables will be provided in the next few weeks.

This update is to be applied immediately, and the Software Change Notice filed in the Operator's Log.

Approving Official
Charlie Churilla, Chief
Pavement Performance Division
