IMS version 2.3, its installation instructions and associated change notice were available from SAIC as of April 21, 1999. The upgrade of the database software is to be completed by close of business, Wednesday, April 28, 1999. Any remaining issues associated with the upgrade can be covered at the April 29, 1999 IMS conference call.

Any technical questions associated with the upgrade should be directed to Rick Cale, 423-481-2198.

Please call me at (202) 493-3144 if you have questions about this transmittal.
