

LONG TERM PAVEMENT PERFORMANCE PROGRAM DIRECTIVE

For the Technical Direction of the LTPP Program

Program Area: IMS Directive Number: I-80
Date: November 1, 2000 Supersedes: NA
Subject: Termination of ISDN Usage

This directive implements the change in instructions for transmittal of data between Regional Contractors, the FHWA and the TSSC.

Effective immediately, all regional contractors will turn off their ISDN lines. All future transmission of data between FHWA, the TSSC and the Regional Contractors will be done via e-mail or electronic media (e.g. CD-ROM, floppy disk, tape) as appropriate to the size and urgency of the transmission.

Transmission of data between the TSSC and FHWA will continue using at most two shared ISDN lines to connect the FHWA LTPP Team, SAIC, LAW PCS -Beltsville and LAW PCS - Reno. Additionally, data between these offices may be transmitted by other appropriate methods.
