ERRATA

“LTPP Profile Variability”

Publication No. FHWA-RD-00-113

Because of an oversight, recipients of the above referenced publication are asked to make the following pen-and-ink changes:

<u>Location</u>	<u>Change</u>
Page 32, last paragraph, transformed standard deviations	From 0.32 and 0.40, to 0.032 and 0.040
Page 60, second paragraph, transformed standard deviations	From 0.32 and 0.40, to 0.032 and 0.040

We apologize for any inconveniences this may have caused you.
