**Job Description: Semi-annual site inspection.**

**Work Completed:**

We stopped on site and did a visual inspection of the plates. They look good.

We tested the loops and bending plates and recorded all of the results. We also megged out the loops and they look good.

We measured the power and phone and recorded the results.

I reset the power to the modem and then had Warren dial up the site. He said he was able to connect and he watched vehicles on the screen.
