Job Description: Semi-annual site inspection.

Work Completed:

I stopped on site and did a visual inspection of the plates. They looked good. I took pictures of the cabinet and bending plates.

I tested the loops and bending plates and recorded all of the results. I also megged out the loops and they looked good.

I measured the power and phone and recorded the results.

Before I left I had Degong dial up the site to make sure he could connect to it. He said that he was able to.
